### Disclosure Policy

It is the policy of Southern Illinois University School of Medicine that speakers, planners and anyone in control of content disclose real or apparent conflicts of interest relating to the topics of this activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The SIU School of Medicine Office of Professional Development has policies in place that will identify and mitigate all conflicts of interest prior to this activity. Detailed disclosure will be provided prior to the start of the activity.

## Meeting Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Southern Illinois University School of Medicine and the Midwest Chapter of the American Academy of Psychiatry and the Law. The SIU School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. **Items in bold type on the agenda are not designated for CME credit**

### Course Objectives

The goal of the conference is to inform attendees about current major issues in forensic mental health and afford them opportunities to refresh skills in the fundamentals of the discipline, engage in discussion with peers on the standards governing the profession, and update their present knowledge. At the end of the conference attendees will be able to:

1. Describe and implement enhanced consultative strategies at the interface of psychiatry and the legal profession.
2. Apply improved techniques of examination, testing, teaching and communication in forensic settings – both in their own work settings and in their supervision of residents, students, and allied health professionals.
3. Discuss the impact of the contemporary trends and events on the practice of forensic psychiatry for psychiatrists, psychologists and other professionals who work at the interface of mental health and the law.
